RULES FOR THE DISTRIBUTION OF AN INTERIM GRANT OF £50,000 IN RESPECT OF THE YEAR 1919-20 FOR INTERMEDIATE TEACHERS IN IRELAND.

I. The Interim Grant shall be allocated between Intermediate Schools and paid in the first instance to the managers thereof as a capitation payment on the same basis as was actually adopted under the Rules dated 11th August, 1919, in the distribution of that portion of the Additional Grant of £50,000 for the purpose of Intermediate Education in Ireland in 1919-20 which was payable by Capitation save that Rule VII. of those Rules shall not apply and that in the case of any school which failed to qualify for participation in that grant by reason of an insufficient number of attendances of pupils, due solely, in the opinion of the Intermediate Education Board, to epidemic disease, the Lord Lieutenant may fix a capitation basis on which such school may be allocated a share of the present grant in such manner as, having regard to all the circumstances, he may consider fit.

II. The share of the grant so allocated to any Intermediate School hereinafter referred to as the "school share," shall be distributed by the managers between the several registered teachers employed in that school during the whole or part of the school year 1919-20, including any registered teacher who is owner or headmaster of the school, in the following manner :—

(a) The school share shall be divided into such number of equal parts as may be necessary for the purpose of these Rules.

(b) Every registered teacher in the school as aforesaid shall receive a number of parts of the school share determined, according to paragraphs (c), (d) and (e) following, with reference to his total annual rate of remuneration from the school, exclusive of the value of any board or lodging provided, or both, but inclusive of any bonus or extra pay in respect of his service as a teacher in the school year 1919-20.

(c) The number of parts to be assigned to each teacher shall be determined according to the following scale :—

Total annual rate of remuneration not exceeding £120, 4 parts.			
"	"	"	exceeding £120 but not exceeding £160, 5 parts.
"	"	"	" £160 " £220, 6 "
"	"	"	" £220 " £300, 7 "
"	"	"	" £300 " 8 "

(d) Where a registered teacher has been employed in an Intermediate School for only a portion of the school year 1919-20 the number of parts to be assigned to him shall be proportionately reduced in accordance with the actual proportion which his period of service bears to the period during which the school was in operation during the year.

(e) Where a registered teacher has been employed simultaneously in more than one Intermediate School for the whole or part of the school year 1919-20, the number of parts to be assigned to him out of each school share in which he is entitled to participate shall be ascertained by dividing the number of parts to which according to his remuneration solely from such school he would be entitled under the foregoing paragraphs by the number of schools in which he has been so employed.

III. Every teacher who receives a payment of grant in accordance with these Rules shall furnish to the manager of his school a receipt therefor in the form hereto appended, and if he fails to do so without proper cause shall be liable to be refused recognition by the Intermediate Education Board for the purpose of any future distribution of Additional Grant.

The manager of any school to which a portion of the present Grant is allocated shall transmit to the Board not later than the 30th September, 1920, receipts in the said form covering the whole of the school share, and if he fails to do so without proper cause shall be liable to the penalty prescribed in Rule IX. of the Rules dated 11th August, 1919, aforesaid.

IV. The Interpretation Act, 1889, shall apply for the purpose of the interpretation of these Rules as it applies for the purpose of the interpretation of an Act of Parliament.

The expression "registered teacher" in these Rules shall mean any person whose name shall have been placed on the Register of Intermediate School Teachers in Ireland framed under the Intermediate Education (Ireland) Act, 1914, on or before the date on which the Interim Grant is paid by the Intermediate Education Board to the managers of Intermediate Schools.

V. In any case of doubt or difficulty as to the construction of these Rules, or as to any claim, right or liability thereunder, the Board or any teacher or manager of any school eligible to participate in the Interim Grant may appeal to the Lord Lieutenant, whose decision shall be final.

WE, the Lord Lieutenant General and General Governor of Ireland, with the consent of the Treasury, hereby approve the foregoing Rules.
